6<sup>th</sup> November 2017

Dear Parent/Carer

Following a review of our homework policy, we are writing to explain updates to the tasks and timetable.

There is no change to English and maths homework. It is set weekly and will be written in planners. Children should also read at home at least 5 times a week and record this in their reading log, which we ask a parent to sign.

Homework for all other subjects will be set once a half-term and can now be found on the website under **school life/parent information/homework grid**. The due date will be written in the planner and, where needed, the subject teacher will give supporting materials such as worksheets etc. In order to promote more challenge, there will be 2 levels of task for every subject, one task at the secure level and one at secure plus.

We would really value parental feedback between now and the end of term as to how the system is working for you. Please email the school for the attention of Mrs Farr.

Kind regards

Mrs C Butler  
Principal
