Spring 1 - key word spelling test

Summer 1 - wordle

1. Make a list of as many of the key words from the current topic as you can think of.
2. Now, decide on the 10 most important key words from your list.
3. Using a PC or by hand, create a wordle of your 10 chosen key words.
4. Underneath, or on a separate piece of paper, explain why you have chosen them.

Optional Projects

Year 5 - Spring 1

Research a famous UK landmark and create a fact file about it. You could also make a model to show what the landmark looks like.

Year 6 - Spring 2

To invent your own plant or animal which could live in the rainforest and to explain its adaptations.

Year 7 - Spring 1

Create your own, working, weather instrument e.g. a barometer or a wind sock.

Year 8 - Autumn 1

Create a 3D model to represent the structure of the earth.
