

September 2018

Dear Parent/Carer

As you know, the Y6 English and Maths SATs are taken in May. In order to help those children in Y6 and their parents/carers who would like to do some practice at home we have reviewed some resources that are perfect.

We find that CGP books and tests complement our teaching well, providing extra support for those who feel they need it. All the products here, plus a great deal more, are available for direct order from the CGP website but as a school buyer we get a considerably better price and free p&p. This year they are also available in ebook form and these can be bought and downloaded from Amazon if you prefer.

If you wish to purchase any of the books, please complete the order form attached and make your payment via parentpay, paying only the total cost of the books that you have ordered. The form needs to be returned to **MS FORD, NOT their form tutor** by no later than Friday 20th October. Please take a note of what you are ordering to avoid any confusion at a later date. Orders placed and/or paid for after this date cannot be processed.

The books will be ordered after this date and sent home during the week after October half term.

If you have any questions about the orders please feel free to contact me via the school office.

Kind regards,

Ms Ford

Maths Department
