- Development plan

### Supporting National Fun Events

World Book Day was celebrated with a combination of dressing up, author studies and reading events.

Sports relief was also supported with a variety of fund raising events.

### Learners Forum

Learners from First, Middle and the High Schools met together with the Mayor of Biddulph, a Town Councillor and the Chief Officer for Biddulph Town Council at Biddulph High School.

After introductions pupils were given information about what the Town Council does; how elections work; and why it is important that everyone has a voice. Learners were then asked why they were proud of Biddulph with the following results:

Friendly            Landmark  
Leisure Centre  
History            Climate  
Town Market  
Countryside      Town events  
Christmas lights.

Alternatively they didn't like litter; loud music from cars; car engines left running outside schools, poor street lighting; dog poo; dogs off the lead; and pot holes!

They would also like more groups to join outside school hours; and to have dedicated areas for cycling.
