

## Friday 14<sup>th</sup> June

What a wet week for our Year 6 at Standon! I joined them on Monday to Wednesday and it's full-on – 5 activity sessions a day and with our pupils divided into 5 groups, Woodhouse was therefore doing 25 activities a day! Settling down to sleep became slightly easier each night as everyone became progressively more tired. Staff and pupils will need a good weekend's rest to recover, I'm sure! Many thanks Miss Riley, Mrs Barry, Mrs Bowers, Miss Parks, Mrs Farr, and Dr Kelly for running a fantastic week.

Meanwhile, back at school, Year 7 have been finding out about how town councils work through visits to Biddulph Town Hall and Year 8 have looked at careers. Mrs Washington has been strengthening our careers programme this year by making strong links with the newly appointed High School careers advisor - a great foundation for pupils to build on as they go through Years 9-13. She came down to Woodhouse this week to continue her careers workshops with Year 8 and made a point of emailing to say how impressed she was with Y8 behaviour and engagement.

Finally a thank you to Mrs McKeown, Mrs Bowers and the new Year 5 tutors for their work at the information evening last night. The hall was packed with Year 4 pupils and their families. Everyone seemed very enthusiastic about starting here and we're looking forward to welcoming everyone to the transition day on Wednesday.

Have a good weekend.
