

## Friday 21<sup>st</sup> June

It's been another busy week here at school. The transition days for Y4 and Y8 went very well. We had lots of smiling faces arriving in school on Tuesday morning, and the smiles were still there on their way out, which is always a good sign! Our Y8 pupils also came back from their day at high school all fired up and enthusiastic for their new adventure in September.

Our PE department has been busy once again. The Y7 & 8 athletes competed in a competition at Northwood on Monday and arrived back at school proudly displaying the shield they had won. We also hosted an athletics fixture for our Y5 & 6 athletes on Thursday (thankfully the rain held off), which seemed to go very well. Congratulations to everyone who competed.

Ms Roberts has been busy - wearing two hats! She spent Wednesday helping a group of children make costumes for the Biddulph Festival which is taking place on Saturday 29<sup>th</sup> June. Thursday and Friday she had her chef's / Mary Berry hat on – with the 'Great Woodhouse Bake-off' taking place. Well done to everyone who entered this, both this week and last – all entries/creations were amazing.

Of course the main event of the week though was 'Woodhouse Has Talent'! What a spectacular evening that was; we do indeed have some very talented children in our midst. A huge thank you must go to Mrs Washington and everyone involved in the organisation of this event, as you can imagine it's takes a huge amount of co-ordination and arranging. We must also thank the judges for giving up their evening and having to make the hard decision on who would be triumphant, the pupils for their performances and the parents who came along to support.

Next week looks to be another busy one, the term is flying by, it will be the summer holidays before we know it!

Have a lovely weekend.
