

Friday 12th July

This has been a fantastic week of celebrations! Thank you to all the parents who've come to support the children and the school as we celebrated all the ways in which they've contributed to Woodhouse and taken advantage of the opportunities on offer. It's so great to see how many have taken on leadership roles, joined clubs and represented the school at different events.

We've also been amazed at the talents shown by the wide range of performers – musicians, singers, dancers, linguists, robotics engineers, magicians, gymnast, actor, taekwondo expert and even aerial performer!

The Year 8 celebration is always tinged with sadness as we know we won't see the children again in September and the current year 8 has been a particularly lovely group so the staff are very sorry to see them go.

It has been great having the pupils and teachers from Luigi Bataglia school (in Fusignano) with us all week. Teachers have organised special class activities to tie in with the visit and this year for the first time, the twinning committee have run evening activities so that the English and Italian children can get to know each other better. On Monday there was pizza making, Tuesday archery, Wednesday a meal at Rudyard – and tonight they are all joining us at the Year 8 Leavers' Luau - we're all hoping for some Hawaiian weather to go with it!

Have a great weekend.
