

Friday 13th September

A full week for our year 5s this week. They have coped incredibly well and, as yet, we have not seen any students lost around the school! Well done to all of them.

A group of students from years 6, 7 and 8 had the opportunity to visit the 'cast of thousands' display at Spode in Stoke-on-Trent. This was a district, school based art project where all students made a ceramic representation of themselves. It was fascinating for them to see their work alongside those from other schools.

Have a great weekend.
