

Year 5

Term	Main focus of teaching each term
Aut 1	Introduction to Art and Design. Understanding colour and exploring colour families Use of colour through experimental techniques
Aut 2	Research of selected artists Delaunay / Kandinsky Chosen Artist inspired work exploring colour families, be able to use the style and techniques to develop own work
Spring 1	Design ideas and colour ways to show interpretation of chosen artist.
Spring 2	Development of final canvas artwork and evaluation. Extend the designs into art textiles
Summer 1	Research of the artist C Cliff - experimental work in range of media in her style
Summer 2	Creation of Cliff inspired clay work

Year 6

Term	Main focus of teaching each term
Aut 1	Investigation into visual elements with emphasis on form and tone Shading techniques on forms to show realism
Aut 2	Investigation into visual elements with emphasis on texture Mark making techniques to show a range of textures Introduction to sketching with perspective Development of observational study work
Spring 1	Design work through project work - use of perspective , composition Creation of large painting
Spring 2	Printing techniques - foam printing - design and pattern work Experimental techniques in Scraffito using artwork produced and looking at other artists work
Summer 1	Development of clay work - inspired by project work
Summer 2	Continue with clay work inspired by project work - extension in to art textiles

Year 7

Term	Main focus of teaching each term
Aut 1	Art briefs, Investigation into mood boards – Nature Fruit and Veg Development of observational study work, emphasis on tone texture and form to show accuracy and realism
Aut 2	Continuation with observational study work through a range of media and techniques Development of pattern work
Spring 1	Design work , extension of studies completed Composition and scale Upscaling work Development of painting skills and mixed media
Spring 2	Design and pattern work Printing techniques - foam printing Research connected artist with repeat pattern
Summer 1	Textile art - Fabric pattern designs Design and create own fabric
Summer 2	Textile art - Fabric pattern designs Design and create own fabric

Year 8

Term	Main focus of teaching each term
Aut 1	Develop knowledge of range of artists and develop artist appreciation. Research and apply range of techniques used by variety of artist through portraiture.
Aut 2	Continue artist and portraiture work.
Spring 1	Design shoes based on chosen artist and techniques Construction / 3d paper and cardboard structure
Spring 2	Continuation and evaluation of construction / 3d paper and cardboard structure.
Summer 1	Transition project to BHS - exploration of surface pattern through inks.
Summer 2	Transition project to BHS - exploration of surface pattern through inks
